Dear Applicant,

Thank you for your interest in extending your training with your U.S. Host Organization. We are delighted that you are considering extending your program with CIEE.

Your application for a program extension will be processed by [Parenthese](#), not by CIEE in the United States. Please be sure to send your completed application to Parenthese.

To complete your application for a program extension, Parenthese will need to receive the following:

- **APPLICATION FOR PROGRAM EXTENSION**, along with supporting documents as listed in the checklist below
- **DS-7002 TRAINING/INTERNSHIP PLACEMENT PLAN – EXTENSION APPLICATION VERSION**, to be completed by your Host Organization

You should apply for a program extension at least six weeks before your original training end date. Applying too close to your end date could mean that your application is not approved in time and you will need to return home. Speak to Parenthese to find out about required processing times for your application.

Before you complete this application, please remember that extensions are intended to give you the opportunity to gain new and different skills from your current training. You and your Host Organization should discuss what those new skills will be and be prepared to share that information with CIEE.

Once you have submitted your application, CIEE will review your information and the new DS-7002. We will contact your Host Organization with any additional questions and then inform you of our decision. Any questions or concerns you may have during this process should be directed to Parenthese.

We look forward to receiving your application. In the meantime, we wish you the best of success with your training and your overall experience here in the U.S.

Sincerely,

Ilona Wentworth
Director
J-1 Professional Exchange Programs
